

Saturday Bus Trips

to Romford Market

27th OCTOBER to 22nd DECEMBER

Why not visit Romford and explore one of London's largest street markets and shopping centres? Two special buses will take you straight there — the 697 from Isle of Dogs, Canning Town and East Ham and the 699 from Walthamstow, Leyton and South Woodford. And, if successful, they'll also run during the January sales period. You'll get about 3½ hours for bargain hunting and all for the knock-down fare of just £1 single or return for all adults, 50p for under 16s. There's no need to book — just pay as you get on the bus.
